

Print data, quality

- Colors: CMYK
- Scale and resolution: 1:1 (75 DPI) / or 1:4 (300 DPI)
- Format: PDF - only artwork with bleed, without template and crop marks
- All fonts must be converted to outlines
- We are not responsible for graphical content mistakes

Pannels

- There is no space between panels
- Panels can have little shift. Tolerance is 0 - 3 mm
- Try to minimise the amount of type and small graphic elements that crosses over the panel breaks

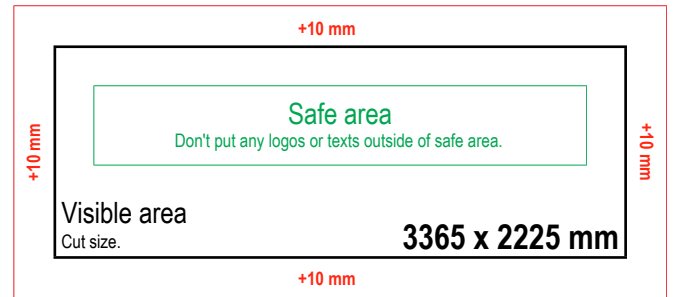

Download templates, at scale 1:4
